<http://www.arbpurewatersolutions.net/>

We are an experienced Solution and service provider engaged in providing customers with a flawless range of all kind of Water Treatment Products & solutions supported by excellent service backup.

Profile

Established in the year **2001**, **ARB (Aqua Related Business Solutions)** is a leading trader and service provider engaged in providing customers with a flawless range of all kind of **Water Treatment Products & solutions** with services along with other plants and services. All our products have been procured from reputed and registered vendors, who possess high reputation in the industry and are known for their optimal quality standards.

With the aid of our competent and skilled workforce, we have been able to establish a niche for ourselves in the industry. All the solutions can be customized and personalized as per the exact needs and requirements of the customers. We are also engaged in providing our customers with assistance regarding sale and purchase of plants through our tie-ups with various well-known manufacturers of branded water treatment products. We deals our products in following Brands **Zero B, Alfaa, Eco Stream, Aquasol, Sparkle.**

ARB has been operating under the able leadership of our owner and mentor, **'Mr. Raj Bhatia'**. He provides us with the required guidance that helps us serve the customers in the most efficient and professional manner. Further, he keeps the entire workforce motivated to perform to the best of their abilities and offer the customers a flawless range of solutions. We are the leading Dealer of **ZeroB.**
